# Curriculum Vitae For a member of the teaching staff in a college Administration and Economics Wasit University

Personal data:

The name	**Dr.Tareq Azeez Salih**
Current scientific rank	**Assistant professor**

Workplace	**Wasit university**	**Academic department**	**College of administration and economics**
general specialty	**statistics**	**Subspecialty**	**Applied statistics**
Work Phone	**07704289837**	**cell phone**	
E-mail	**gmail.com @ 1967tazeez**		

scientific qualifications:

Degree	University Name	graduation country	Specialty	date of graduation
Bachelor's	**University of Baghdad**	iraq	statistic	1990
Master's	**University of Baghdad**	iraq	statistic	2009
PhD	**University of Baghdad**	iraq	statistic	2016

Academic Rank:

academic rank	Date of obtaining the rank	Awarding body
assistant teacher	**2011-1-19**	**University of wasit**
Teacher	**2016-5-8**	**University of wasit**
Assistant Professor	**2019-5-8**	**University of wasit**
Professor		

Practical experiences:

Function	Employer	Time period	
		From	**To**

Scientific production (published / accepted for publication):

Research Title	Place of publication	country of publication	number	Vol	publish date
Comparison of some semi-parametric methods in analysis single index model	**University of Baghdad**	**Iraq**			**2016**
Comparison of some penalize methods in analysis single index model	**University of Baghdad**	**Iraq**			**2016**
A Comparative study between lasso-mave method and adaptive lasso- mave method to selection variable in semi- parametric single-index model	**University of Baghdad**	**Iraq**			**2017**
Analysis of semi-parametric single index models by using mave method based on some kernel function	**International journal of advanced statistics and probability**	**Iraq**			**2017**
Identification radio-lucent and radio- opaque kidney stone	**Iosr journals**	**Iraq**			**2017**
A Comparative study between method mave , rmave in estimating for semi-parametric single index model	**Al- mustansiriya university**	**Iraq**			**2018**
Study the influencing factors on liver functions from type GPT for some patients in al-kut teaching hospital by using style semi-parametric regression	**University of Karbala**	**Iraq**			**2018**
Comparison study of some information criteria performance in best selection of semi-parametric single index models	**University of wasit**	**Iraq**			**2018**

Identify the factors Affecting on Returning of share in Iraq stock exchange by using semi parametric single index model	**Iraqi university**	**Iraq**				**2019**
Comparison of the lasso method with some traditional statistical methods in addressing the problem of douple linearity	**Wasit university**	**Iraq**				**2019**
A practical application to analyze indcators and their imoact on the semi-parametric multi – index model(smim)	**Journal of physics . conference series**	**India**				**2022**
Estimation of semi-parametric models using some penal methods multiple – index model (smim)as on applied example	**AIP conference proceedings**	**India**				**2022**

Scientific conferences, seminars and workshops in which I participated:

Research Title	Name of the conference/symposium/workshop	Venue of the conference/symposium/workshop	Date

published books:

The title of the book	Publishing House	Year of Publication	Page count

Obtained awards:

The name of the award	Donor for the award	Date

patent:

Title of the patent	The patent registration authority	Date
1- linear algebra	Wasit university	2015
2- biostatistics	Wasit university	2017
3- regression analysis	Wasit university	2011
4- translate operation	Wasit university	2011
5- multivariate analysis	Wasit university	2019

Courses (subjects) that you have taught:

Course name (subject)	Academic year	place of teaching

Supervision of master's and doctoral theses:

Master's thesis title	the phase	Date
Comparison of some estimation methods for semi=parametric multiple – index model with a practical application	Completed master's thesis	2022-11-8
A comparative study of some methods for estimating robust ridge regression with a practical application	unfinished master's thesis	2021/11/1
Comparison of some organizational methods estimate a multivariate regression model under the high dimensional data with a practical application	unfinished master's thesis	2022/11/1
Comparison of some robust estimation methods for multiple linear regression model the presence of outliers with a practical application	unfinished master's thesis	2022/11/1

Experience in the field of civil society service:

Post name	Post type	Date

Participation in programs and panel discussions on local, Arab and international satellite channels in the field of specialization:

The channel name	The link to participate	Date

Lectures on YouTube in the field of competence:

The channel name	The link to participate
regression and multivariate analysis	**https://forms.gle/FSYwpDekPHi18RPd7**
regression and multivariate analysis	**http//www.youtube.com/wath?v=d1S9-Bc9atw** **https://www.youtube.com/channel/UCA_gywYrtDjPuwLkBZK0RGg**

Note: CV

At the end of each year, the activities of the faculty members affiliated to the Quality Assurance and University Performance Division in the college are modified by the follow-up unit.
